Professional Summary

Detail-oriented mathematics educator with deep knowledge of high school-level algebra, geometry, trigonometry, and calculus. Experienced in delivering structured math instruction and personalized tutoring that emphasizes clarity and logical thinking. Strong organizational skills with the ability to manage multiple tasks and meet deadlines. Communicates effectively and is committed to supporting student/Machine learning and confidence in mathematics.

EDUCATION

University of Ibadan, Ibadan, Oyo State

February 2016 till March 2019

BSc. Computer Science

MSc. Computer Science (Data Science)

February 2025 (In-view)

WORK EXPERIENCE

Turing Company, California.

Nov. 2024 - February 2025

LLM Data Annotator/DPO Annotator/SFT Annotator/Team Lead (Advanced Mathematics)

- ❖ Created, reviewed, and refined a wide range of mathematical problems and solutions spanning algebra, calculus, statistics, and advanced reasoning topics.
- ❖ Provided feedback on AI performance and contributed to iterative improvements in model capabilities by identifying reasoning gaps or language issues in outputs.
- ❖ Trained and evaluated AI models by generating accurate, structured, and pedagogically sound math responses for various difficulty levels and learning objectives.

PREPCLASS Nigeria Limited, Lagos State, Nigeria

November 2021 - Till Date

Math Subject Matter Expert

- ❖ Developed step-by-step solutions for high school math problems, maintaining an average rating of 8/10 across 20,000+ sessions
- ❖ Delivered personalized tutoring sessions that led to notable improvements in students' test scores.
- ❖ Specialized in algebra, geometry, and calculus, equipping students with the skills needed for standardized tests and final exams

FORTLAD INTERNATIONAL COLLEGE, Mushin, Lagos State.

September 2020 till October 2021

Mathematics/Data Processing Teacher

- ❖ Taught high school mathematics, including algebra, trigonometry, & calculus, leading to a significant increase in exam pass rates.
- ❖ Utilized effective problem-solving techniques to break down complex concepts across the subjects into simple steps for students.

Private Math and Data Processing Tutor (WAEC/UTME)

- ❖ Prepared students for WAEC and UTME examinations, focusing on high school-level mathematics and data processing.
- ❖ Provided one-on-one tutoring sessions tailored to students' individual needs, ensuring alignment with WAEC and UTME curriculum standards.
- ❖ Helped students build a strong foundation in problem-solving techniques, boosting confidence and exam readiness.

Key Skills

- ❖ **Advanced Mathematical Skills:** Well-versed in core areas such as Algebra, Calculus, Geometry, and Trigonometry
- ❖ **Analytical Thinking:** Applies logical and innovative strategies to tackle challenging mathematical tasks
- ❖ **Concept Delivery:** Capable of breaking down math concepts into easily understandable steps for diverse learners
- ❖ **Technical Tools:** Experienced with LaTeX for documentation, MATLAB for modeling & Google Colab for collaborative computation
- ❖ **Task Prioritization:** Efficient in organizing workloads and consistently meeting tight academic or project timelines
- ❖ **Versatility:** Comfortable addressing a wide range of mathematical problems and adapting to varying learning styles.

Certifications
